

Modbus

```
graph BT; ModbusSerial --> Modbus
```

The diagram illustrates a class inheritance relationship. At the bottom is a gray rectangular box with a black border containing the text 'ModbusSerial'. A vertical blue line with an arrowhead at the top connects this box to a white rectangular box with a gray border at the top, which contains the text 'Modbus'. This indicates that 'ModbusSerial' inherits from 'Modbus'.

ModbusSerial
